Parshas: Naso

Among the topics appearing in Naso is the mitzvah of the 'Sotah'. When compelling circumstantial evidence suggests an act of marital infidelity may have taken place, the Torah provides a means to clarify the hoped-for innocence of the suspect parties. Contained in this mitzvah is dissolving G-d's name that was written on a parchment. We learn from this the supreme importance of shalom bayis -- peace in the home. If G-d allows His Holy Name to be erased for the sake of peace between husband and wife, certainly each of us should seek shalom bayis with our spouses and other family members. What can each of us do to increase shalom bayis with those whom we love? Parshas Naso also describes the nazir -- an individual who takes a vow to refrain from drinking wine, cutting his hair, and other restrictions. Remember the story of Samson? Samson -- who was a nazir -- was the great Jewish judge and hero who 'brought down the house.'
