### **Parsha Toldos**

Isaac and Rebecca pray to G-d for a child. Rebecca finally conceives, and after a difficult pregnancy gives birth to twins -- Esau and Jacob. Their personality differences soon grow apparent, as Esau turns to hunting while Jacob is pure and wholesome, spending his time studying Torah. Returning from a hunting expedition, Esau finds Jacob cooking a pot of lentil soup. Jacob agrees to give his older brother a portion from the pot of soup in exchange for the spiritual birthright. Faced with a severe famine, Isaac and family settle in Gerar (the land of the Philistines within Israel's borders) rather than descend to Egypt as his father Abraham had done years before. After experiencing astonishing financial success, Isaac comes into continual conflict with King Avimelech over the wells which Isaac dug anew. This pattern of 'success and persecution' has repeated itself throughout Jewish history. Isaac decides to bless Esau as the firstborn. At Rebecca's insistence, Jacob disguises himself as his older brother and receives the blessing of the firstborn (which rightfully belonged to him). The Torah portion concludes with Jacob fleeing from Esau's wrath for 'stealing' his blessing and escaping to Charan to stay with his uncle, Laban, where he is to find a wife.

### **President's Message**

**Two weeks ago, I sent a letter to you, our members, concerning our Sefer Torah** and the need to fund their evaluation and possible repair. Under the Board's directive, Rabbi Smason contacted a Sofer who came to NHBZ earlier this week to begin this task.

The goal, at the beginning of this process, is to raise \$2500.00 for the Torah Fund, to cover the expense of having our Torah scrolls evaluated and, if possible, for minor repairs to be done. To date we have raised \$ 840.00. We will not know the extent of repairs needed until after the Sofer has examined them, at which time the congregation will be informed of any further action that needs to be taken.

We would like to thank those who have donated to Torah Fund so far and encourage everyone to contribute what they can to maintaining our Sefer Torah. The Kashruth of our Torah scrolls is so very important to the Shul. Please contact the office at 314-991-2100 in order to participate in this important project.

## **Kids Programs with Alana Minoff**

I hope you are having a wonderful week! This week we will have children's programming as NHBZ welcomes a guest speaker, Stephen Flatow. Please save the date for our annual Chanukah Party on Saturday, December 1st from 6:30-8:30. Flyer attached.

We are thrilled to kick off a new initiative where the kids will be making cards and pictures for IDF soldiers. Any time a NHBZ member travels to Israel, there will be a stack of homemade cards in the office, made by our kiddos, for them to take and hand out to soldiers. ## **NHBZ NOMINATION AND ELECTION OF OFFICERS AND BOARD OF DIRECTORS**

Did you ever wonder how the officers of NHBZ are elected?  
Do you want to have a say in the future direction of NHBZ?  
Do you want to express your opinions to the Board of Directors?

***You are invited to attend the NHBZ Annual Membership Meeting and Election of Officers on Sunday, November 18, at 10:00 am.***

Every November, we hold a Membership meeting to give members a 'state of the shul' report. This is an opportunity for you to interact directly with the Rabbi, President and other officers and Board members about the business of the shul. If you would like to give your opinion, make suggestions or just listen, this is your chance.

We will also elect officers and members of the Board of Directors. Here is how the election works. We have a nominating committee that consists of all past presidents. That committee deliberates throughout the year, it and comes up with a proposed slate of officers that is presented to the Board at the October Board Meeting. At the November Membership meeting, the slate is officially nominated, and other nominations are accepted from the floor. Note that we still have a few openings. All NHBZ members who attend the meeting have the privilege of voting. The Officers and Board members take office on January 1, 2019, with an official Installation early in 2019.

We have eight officers and fifteen Board members. Officers serve for one year, and can be re-elected. Board members serve for three years, with one third of the Board up for election each year. Here is the slate of nominees for 2019:

## Real Strength

**Toldot (Genesis 25:19-28:9)**

The Talmud teaches us that true strength and power is not found in the ability to control others, but rather in the ability to control ourselves. Rashi (11th century) explains that anytime we are tempted to do something immoral or wrong yet restrain ourselves, we achieve the highest level of intimacy with the Divine.

He explains that part of our many failings stem from our insistence on forming rationalizations and justifications with which we allow ourselves to indulge in whatever we want. In this week's Torah portion, Isaac is faced with an incredible dilemma. For over 60 years he has been pinning his hopes and dreams on his eldest son, Esau, to carry on his legacy, yet when faced with the reality that his judgment was wrong, he avoids all rationalizations and excuses and says, "Jacob will be blessed" (Gen. 27:33).

That is why in Jewish mysticism Isaac is the only one of the three Patriarchs to be described as "strong." He had the ability to face the truth and avoid all attempts at justifying himself. He had real strength: the strength of character to do what was right, not just what was pragmatic and comfortable. Anytime we do conquer our inner drive and exert self-control, we attain a taste of the Divine, right here and now.
