Kashrus Alert Issued by the cRc – Insects in Barley, Recent Infestations - After an assortment of manufacturers were inspected, it was found that infestation generally occurs after the grain is packaged; infestation was found even in containers bearing a reliable kosher logo. However, based on information from the Star-K, **Quaker and Jackrabbit Brands** of barley are insect free and **do not require checking**. The Vaad recommends that during Nov & Dec 2012, you should inspect other brands of barley before using it. For all details, please see the notice in the lobby describing what to look for and methods of inspection.

"Our Father's Voice: A Holocaust Memoir" is Felicia Graber's new book written with her brother, Dr. Leon Bialecki, from recorded interviews with their father. The Forward states: "In his acute observations and straightforward judgments, Mr. Bialecki spared no one, least of all himself. He was uniformly frank about Jew and gentile, rich and poor, pious and nonreligious, cultured and uneducated." Felicia will generously donate \$8.00 to NHBZ from the sale of each \$18.00 book. Please come to the office or place your orders by calling 314-991-2100, ext. 2.
