### **Parshas Lech Lecha**

Abraham was called by G-d to leave his homeland, his father's house, and his position of status and prosperity to travel to the land that G-d would show him. Upon arrival with his wife Sarah and nephew Lot in the land of Israel, they discover it to be ravaged by a horrible famine. Traveling to descend to Egypt for a temporary stay, the immoral Egyptians immediately capture Sarah and take her to the Egyptian king. G-d responds by afflicting the king and his household with a debilitating plague until he releases her. Guess what the plague was?

Back in the land of Israel, Lot parts ways with Abraham, with Lot relocating to the fertile plains of Sodom. Abraham subsequently rescues the kidnapped Lot by miraculously defeating four kings and their armies. Through a Covenant, G-d promises Abraham that his descendants will be as numerous as the stars in the sky. Because she had no children, Sarah gives her maidservant Hagar to Abraham as a wife, and their son Yishmael is born. At the age of 99 Abraham circumcises himself, his son Yishmael, and the other male members of his household.

### **Cash Cards**

**This is the time to order gift cards for Hanukkah and research has indicated that gift cards are the most favorite gifts to receive!** Orders are now being taken through December 6<sup>th</sup>, you will get your gift cards before the first night of Chanukah! Use the card for all your shopping needs. The order form is attached to this week's bulletin. You probably will be shopping at Amazon, Dierbergs, CVS, or Walgreens this month, so why not benefit NHBZ as you shop?

## **NHBZ Outreach for Thanksgiving**

Once again our Community Outreach Committee will be cooking a kosher Thanksgiving dinner and delivering it to the Olivette Police and Fire Department on Thanksgiving Day. We love the security and protection that we get from our Olivette Police and Firefighters and are grateful for their service!

***We are looking for a few volunteers for a couple of hours on Monday or Tuesday, November 25<sup>th</sup> or 26<sup>th</sup> to help cook the meal or be a mashgiach. Please contact Stella Vladimirov or the office!***

We show our appreciation by serving a traditional Thanksgiving dinner for the police officers and firefighters who will be spending Thanksgiving working rather than at home with their families. Once again we could use your assistance in the form of a donation of \$18 or more to purchase the kosher turkey and other trimmings to prepare the meal.

# THE SISTERHOOD SCOOP NOVEMBER

Volume 2

Number 43

11 Cheshvan 5780

November 9, 2019

## LECH LECHA: *The Long Walk to Freedom*

"Judaism is supremely a religion of freedom – not freedom in the modern sense, the ability to do what we like, but in the ethical sense of the ability to do what we should, to become co-architects with G-d of a just and gracious social order. The former leads to a culture of rights, the latter to a culture of responsibilities. Judaism is faith as responsibility.

...The call of G-d to Abraham – "Leave your land, your birthplace and your father's house" – was a summons to chart new and different path, the most fateful and at the same time the most hopeful in the history of mankind. The best description of it is the title of Nelson Mandela's autobiography: *The Long Walk to Freedom*."

-Excerpted from Rabbi Jonathan Sacks

## Lech Lecha: Asserting our Inheritance

[G-d said to Abraham,] "I have given this land to your descendants." - Genesis 15:18

When G-d promised the Land of Israel to Abraham's descendants, the land in its entirety became – and remains to this day – the inheritance of every Jew, not subject to negotiation or trade. It is solely G-d's promise to Abraham that constitutes our connection to our land. When we articulate this confidently and unapologetically, the community of nations will acknowledge its truth. In contrast, basing our claims to the Promised Land on treaties, military victories, or diplomatic machinations will undermine other nations' respect for our inheritance. By asserting our inviolable connection to the Land of Israel, we hasten the Messianic Redemption, when G-d will grant us its full possession peacefully. –from *Lubavitcher Rebbe*; Adapted by Moshe Wisniefsky ([chabad.org](http://chabad.org))

# Annual Membership Meeting and Election of Officers Sunday, Nov. 17, 10:00 am

Did you ever wonder how the officers of NHBZ are elected?  
Do you want to have a say in the future direction of NHBZ?  
Do you want to express your opinions to the Board of Directors?

*You are invited to attend the Annual Membership Meeting and Election of Officers on Sunday, November 17, at 10:00 am. Refreshments will be served.*

Each November, we hold a Membership meeting to give a 'state of the shul' report and elect officers and members of the Board of Directors. This is an opportunity for you to interact directly with the Rabbi, President and other officers and Board members about the business of the shul. If you would like to give your opinion, make suggestions or just listen, this is your chance.

Here is how the election works. We have a nominating committee that consists of all past presidents. That committee deliberates throughout the year, and comes up with a proposed slate of officers that is presented to the Board in October. At the November Membership meeting, the slate is officially nominated, **and other nominations are accepted from the floor. You can even nominate yourself.** Those members who attend the meeting have the privilege of voting. The Officers and new Board members take office on January 1.

We have eight officers and fifteen Board members. **Officers serve for one year**, and can be re-elected. **Board members serve for three years**, with one third of the Board up for election each year. Sometimes we have a vacancy, and must nominate somebody to fill the rest of a term. Here is the slate of nominees for this year's election (indicated in red or asterisk), along with continuing Board members.
