Parshas Vayera

The parsha begins with Abraham's incredible display of chesed (kindness) to three angels who appear as men. This, despite extreme discomfort from his recent bris milah (circumcision). The angels declare that Sarah will give birth to her first child at the age of 90 when Abraham would be 100. Later, Abraham pleads to G-d on behalf of the cities of Sodom and Gemorrah. However, the cities are soon destroyed, but not before the angels save Abraham's nephew Lot and his family from destruction. Later the parsha describes how Sarah is abducted by Avimelech, the king of Gerar, who did not realize she was married. G-d responds by striking him with a plague which prevents him from touching her. Sarah conceives and gives birth to Isaac, and Abraham makes a huge celebration. Sarah sees Ishmael (Abraham's son from Hagar) as a menace to her own son's spiritual well-being, and asks Abraham to expel Ishmael and Hagar. The Torah portion concludes with the akeidah, Abraham's tenth and final test, in which he shows his willingness to comply with G-d's command to bring his beloved son Isaac as an offering.

Cash Cards

This is the time to order gift cards for Hanukkah and research has indicated that gift cards are the most favorite gifts to receive! Orders are now being taken through December 6th, you will get your gift cards before the first night of Chanukah! Use the card for all your shopping needs. The order form is attached to this week's bulletin. You probably will be shopping at Amazon, Dierbergs, CVS, or Walgreens this month, so why not benefit NHBZ as you shop?

NHBZ Outreach for Thanksgiving

Once again our Community Outreach Committee will be cooking a kosher Thanksgiving dinner and delivering it to the Olivette Police and Fire Department on Thanksgiving Day. We love the security and protection that we get from our Olivette Police and Firefighters and are grateful for their service!

We are looking for a few volunteers for a couple of hours on Monday or Tuesday, November 25th or 26th to help cook the meal or be a mashgiach. Please contact Stella Vladimirov or the office!

We show our appreciation by serving a traditional Thanksgiving dinner for the police officers and firefighters who will be spending Thanksgiving working rather than at home with their families. Once again we could use your assistance in the form of a donation of \$18 or more to purchase the kosher turkey and other trimmings to prepare the meal.

Israel is again under attack. More than 450 rockets from Gaza have been launched by terrorists, threatening innocent Israeli citizens. Additionally, the European Union's top court ruled that Israeli products made in Judea, Samaria, the Golan Heights, and parts of Jerusalem are required to have a distinct label of origin, not the generic label of 'Made in Israel.'

The goals of the terrorist attacks are loss of Israeli lives, destruction of property, and disruption. The EU decision is an expression of a double standard that discriminates against Jews who have been living and working in their homeland of thousands of years.

What can we do?

- 1) As we always, we can continue to pray for the State of Israel and the Israel Defense Forces.
- 2) We can collect money as we have in the past to purchase pizza or donuts for the soldiers on the border. If you would like to participate, please send checks indicating they are for this cause to the NHBZ office.
- 3) We can also support the Israeli businesses that BDS and the EU labels are attempting to harm. Here are a few links to businesses that operate in those targeted areas of Israel:

If you would like to support businesses in the targeted areas here are a few links:

Annual Membership Meeting and Election of Officers Sunday, Nov. 17, 10:00 am

Did you ever wonder how the officers of NHBZ are elected?
Do you want to have a say in the future direction of NHBZ?
Do you want to express your opinions to the Board of Directors?

You are invited to attend the Annual Membership Meeting and Election of Officers on Sunday, November 17, at 10:00 am. Refreshments will be served.

Each November, we hold a Membership meeting to give a 'state of the shul' report and elect officers and members of the Board of Directors. This is an opportunity for you to interact directly with the Rabbi, President and other officers and Board members about the business of the shul. If you would like to give your opinion, make suggestions or just listen, this is your chance.

Here is how the election works. We have a nominating committee that consists of all past presidents. That committee deliberates throughout the year, and comes up with a proposed slate of officers that is presented to the Board in October. At the November Membership meeting, the slate is officially nominated, **and other nominations are accepted from the floor.** **You can even nominate yourself.** Those members who attend the meeting have the privilege of voting. The Officers and new Board members take office on January 1.

We have eight officers and fifteen Board members. **Officers serve for one year**, and can be re-elected. **Board members serve for three years**, with one third of the Board up for election each year. Sometimes we have a vacancy, and must nominate somebody to fill the rest of a term. Here is the slate of nominees for this year's election (indicated in red or asterisk), along with continuing Board members.

PARSHAS VAYEIRA: *Feminine Power*

G-d said to Abraham, "... Whatever Sarah tells you, heed her voice." -Genesis 21:12

The more attuned a prophet is to the affairs of this world, the greater his or her degree of prophecy. Since Abraham was somewhat detached from worldly matters, he could not perceive Ishmael's true negativity. Sarah, in contrast, was more involved in worldly matters, so she readily was able to perceive Ishmael's evil. Her prophetic vision was therefore superior to Abraham's.

Furthermore, we are taught that in the Messianic Era, the feminine aspect of creation will rise above the masculine. Abraham's and Sarah's spiritual refinement was so lofty that it enabled them to experience a foretaste of the Messianic Era. For this reason, too, Sarah's prophetic vision was superior to Abraham's.

Nowadays, as we approach the Messianic Era, all of us can welcome the flowering of feminine power in the world, acknowledging that women's more intense experience of physical life grants them a higher level of spiritual insight than that given to men.

-from Lubavitcher Rebbe; Adapted by Moshe Wisniefsky

SISTERHOOD ELECTIONS ARE TOMORROW....

Any woman who would like more information about becoming involved in NHBZ's Sisterhood please contact Teree Farbstein or Fran Alper.
