## Annual Membership Meeting and Election of Officers Sunday, Nov. 14, 11:00 am

Did you ever wonder how the officers of NHBZ are elected?  
Do you want to have a say in the future direction of NHBZ?  
Do you want to express your opinions to the Board of Directors?

***You are invited to attend the Annual Membership Meeting and Election of Officers on **Sunday, November 14, at 11:00 am.** We will publish a Zoom link soon.***

Each November, we hold a Membership meeting to give a 'state of the shul' report and elect officers and members of the Board of Directors. This is an opportunity for you to interact directly with the Rabbis, President and other officers and Board members about the business of the shul. If you would like to give your opinion, make suggestions or just listen, this is your chance.

Here is how the election works. We have a nominating committee that consists of all past presidents. That committee deliberates throughout the year, and it comes up with a proposed slate of officers that is presented to the Board of Directors. At the November Membership meeting, the slate is officially nominated, *and other nominations are accepted from the floor.* *You can even nominate yourself.* Members in good standing may nominate others and may have the privilege of voting. Nominees must be members in good standing for at least one year at time of nomination. The Officers and new Board members take office on January 1.

We have eight officers and fifteen Board members. Officers serve for one year, and can be re-elected. Board members serve for three years, with one third of the Board up for election each year. Sometimes we have a vacancy mid-term, and must nominate somebody to fill the remaining time of a term. We will publish the nominees for this year's election when they are announced to the Board.

The stuffers were here! A whole TEAM of volunteers – they came (vaccinated and masked, of course), they socially distanced, they toiled and they LAUGHED. That last bit, the laughter, was music to the ear!

## ● Parashas Lech Lecha – By Rabbi Smason

Abraham was called by G-d to leave his homeland, his father's house, and his position of status and prosperity to travel to the land that G-d would show him. Upon arrival with his wife Sarah and nephew Lot in the land of Israel, they discover it to be ravaged by a horrible famine. Traveling to descend to Egypt for a temporary stay, the immoral Egyptians immediately capture Sarah and take her to the Egyptian king. G-d responds by afflicting the king and his household with a debilitating plague until he releases her. Guess what the plague was?

Back in the land of Israel, Lot parts ways with Abraham, with Lot relocating to the fertile plains of Sodom. Abraham subsequently rescues the kidnapped Lot by miraculously defeating four kings and their armies. Through a Covenant, G-d promises Abraham that his descendants will be as numerous as the stars in the sky. Because she had no children, Sarah gives her maidservant Hagar to Abraham as a wife, and their son Yishmael is born. At the age of 99 Abraham circumcises himself, his son Yishmael, and the other male members of his household.

## ● Rabbi Smason's Wednesday In-Person Class

Same place, same time, same health and safety rules.

### On-going Covid Guidelines *Shul Policy*

NHBZ requires that all people attending tefila (prayer services), classes or other NHBZ programs and activities show proof of vaccination. You may show your vaccination card to Rabbi Smason whenever convenient for you both, or on Shabbos as you enter the shul. Once you have shown Rabbi Smason your vaccination card, there is no need to do so again.

**If we have no proof of vaccination**, you are welcome to join Shabbos services from the Kaiser Terrace on the West side of the synagogue. You are also welcome to enter the synagogue to ask a question of the rabbis and staff, conduct business in the office, pick up or leave an item, or for any other reason that might last for a brief period of time.

Masks required of all inside attendees, age 3 and older; masks are strongly encouraged for those outside, too. Children aged 13 and older have the same vaccination requirements as adults.

As we now enter the post-Holiday period, here's to good health, a year of peace, and prosperity. With our efforts and cooperation, may we help end this pandemic.

### Ask Our Rabbis

Q: On Rosh Chodesh, why do we remove our tefillin before saying Musaf?

A: Two reasons are given for this practice:

1. The [\*Musaf kedushah\*](#) begins with the words "*Keser Yitnu L'cha*," ("A crown is given to You, L-rd our G-d..."). This is a reference to the heavenly crown which the angels on high, and the Jews below, bestow upon HaShem. The *tefillin* are also considered to be a crown, and therefore, the Zohar explains, it would be disrespectful for an individual to wear his own "crown" while crowning HaShem.
2. The *Rosh Chodesh Musaf* prayer speaks of the special sacrifices which were brought in the Holy Temple in honor of *Rosh Chodesh* and implores G-d to grant us a prosperous and happy month.

Now, on major Jewish holidays such as Pesach and Rosh Hashanah, *tefillin* are not worn. The holiness of the day itself attests to the relationship HaShem shares with His nation, thus making *tefillin*, which is also a symbol of this relationship, unnecessary.

Since *Rosh Chodesh* is also a holiday, albeit to a lesser degree, we don't wear the *tefillin* during the prayer which is devoted to the specialness of the day.

### First, Experience the Connection

This week's parshah, Lech Lecha, starts when Abraham is 75 years old. G-d tells him his first command—to go to a land that He will show him. Why doesn't the Torah tell us about his early life; how he recognized his Creator... Why doesn't the Torah tell us about the kind of person he was...? What lesson is the Torah trying to impress on us by starting the story of Abraham with a command?

Abraham was the first Jew. His life is a lesson on what being a Jew is all about. The Torah only shares stories of Abraham that provide a lesson for us on how to be a Jew. By opening with G-d's first command to Abraham, G-d is sending us a message—that the connection between G-d and a Jew is not based on one's understanding of G-d, so that the greater the understanding, the greater the connection. Rather, our connection is because He chose us, regardless of our philosophical or theological understanding. Our connection is greater than any understanding; it is an intrinsic connection with G-d because He chose us, like He chose Abraham.

By not describing Abraham's character, G-d stresses this point: A Jew is always connected, regardless of his or her spiritual state. Also, opening with a command tells us that our purpose is, first and foremost, to do His commandments.

Don't make the mistake of thinking that you need to reach some spiritual level to start doing mitzvahs. The opposite is true; by doing mitzvahs, you experience the infinite connection that is always there.

– by *Rabbi Yitzi Hurwitz* ([www.chabad.org](http://www.chabad.org))

The anniversary of the passing of Rachel Immenu, wife of Jacob, mother of Joseph and Benjamin, is observed on 11 Cheshvan (this year on Sun., Oct. 17). For centuries the tomb was marked by a tiny dome upheld by four beams. In 1841, Sir Moses Montefiore and his wife (who, like Rachel, was childless) added walls to the dome, and a long room where visitors could find shelter from the weather. This was the image of Rachel's tomb that has been popularized in art and photos (see insert photo). Below is a photo taken on NHBZ's Israel Trip in 2015 where the area is now completely walled-in and only bullet-proof buses and vans are allowed.
