**Guests of Honor - Leonard and Fran Alper**

Lenny, a fourth generation member of NHBZ, has served as president six times. He was instrumental in shaping the move to the current building and has led countless committees, projects, and events. Fran directs Communications for NHBZ's Sisterhood and has served on the shul Board and various committees. She has also volunteered for other organizations in the community. Lenny and Fran have dedicated most of their volunteer hours to NHBZ and can usually be found behind the scenes arranging the seats, writing the Bulletin, or killing weeds.

**HaKaras HaTov (Gratitude) Award - Alan Haber**

Alan is a fixture at NHBZ. Often found attending minyan, leading services, teaching Hebrew, and tutoring Bar Mitzvah students, he also volunteers extensively in the community. He helped build and maintain the St. Louis Community Eruv, volunteers for NORC, and donates his time to teach basic computer skills to the elderly. All this is done during his "spare time" when he is not running his business repairing computers and training customers how to use them.
