## Rabbi Okin – Vacation and Chag HaSmicha

**MAZEL TOV** to our own Rabbi Okin as we rejoice in his upcoming *Chag HaSmicha* -- the celebration of rabbinic ordination -- taking place at Yeshiva University on Sunday, October 31, 2021. And, we are all invited!

The Live-Streamed event will begin at 12pm CDT, and may be viewed at <https://www.yu.edu/chag>

Rabbi Okin will be out of the office from Wednesday, October 27 through Tuesday, November 2. Enjoy your time off, Rabbi! We will have PLENTY for you to do when you return. And, may you and your entire family go from strength to strength.

## Annual Membership Meeting and Election of Officers Sunday, Nov. 14, 11:00 am

Did you ever wonder how the officers of NHBZ are elected?  
Do you want to have a say in the future direction of NHBZ?  
Do you want to express your opinions to the Board of Directors?

*You are invited to attend the Annual Membership Meeting and Election of Officers on **Sunday, November 14, at 11:00 am.** We will publish a Zoom link soon.*

Each November, we hold a Membership meeting to give a 'state of the shul' report and elect officers and members of the Board of Directors. This is an opportunity for you to interact directly with the Rabbis, President and other officers and Board members about the business of the shul. If you would like to give your opinion, make suggestions or just listen, this is your chance.

Here is how the election works. We have a nominating committee that consists of all past presidents. That committee deliberates throughout the year, and it comes up with a proposed slate of officers that is presented to the Board of Directors. At the November Membership meeting, the slate is officially nominated, *and other nominations are accepted from the floor.* *You can even nominate yourself.* Members in good standing may nominate others and may have the privilege of voting. Nominees must be members in good standing for at least one year at time of nomination. The Officers and new Board members take office on January 1.

We have eight officers and fifteen Board members. Officers serve for one year and can be re-elected. Board members serve for three years, with one third of the Board up for election each year. Sometimes we have a vacancy mid-term and must nominate somebody to fill the remaining time of a term. We will publish the nominees for this year's election when they are announced to the Board.

### **We Are Listening!**

Just in time for the All-Congregation Zoom Meeting, we'd like your feedback regarding the High Holidays!

What functioned well? What changes would you like to recommend? Any special requests?

Please email your comments and feedback, using "Review of 2021 High Holiday Services" as the subject, to [office@nhbz.org](mailto:office@nhbz.org). The sooner the better.

Editor's request: Constructive feedback with **recommended solutions** appreciated.

## **DOLLAR-A-DAY PUSHKE CAMPAIGN**

Thank you for your continuing participation in the NHBZ Pushke Campaign. We collect Pushkes every three months, and the next deadline is Friday, October 29. At that time, or a few days before, please drop off your Pushke at the shul office. We will credit the amount of the contents to your account as a donation, and return the empty Pushke to you. Alternatively, you can send in a check for the amount saved in your Pushke. Please call in advance (314-991-2100, Ext 2) to schedule a time to drop off your Pushke, or to arrange for us to pick it up your home. If you return your Pushke by Friday, October 29, we will enter your name in a drawing for a \$25 Target gift card.

## A Letter from Rabbi Berkowitz (of the St. Louis Kollel)

Rabbi Smason and R' Menachem,

Thank you so much for such a warm welcome this past Shabbos.

For me, personally, it was just great to be back, but for the new Rosh Kollel and Kollel Rabbis, it was a first. I've got to tell you - they were simply blown away. They so much enjoyed interacting with your membership and felt such a positive vibe in the room. One of them candidly remarked to me "When are we going to do this again?"

All of us here at the Kollel appreciate the history of a terrific relationship with NHBZ and look forward to working together for many years to come.

All the best,  
Yaakov Berkowitz  
Director of Programming  
St. Louis Kollel

## ● Parashas Chayei Sarah – By Rabbi Smason

Chayei Sarah begins with Sarah's death at the age of 127 and Abraham's search for a proper burial place which would be worthy of her greatness. Abraham is conned by Efron (a member of the Hittite nation who lived in the land of Israel) into paying an extremely large sum of money for her place of burial. Sarah is buried in *M'arat HaMachpelah* - the Tomb of the Patriarchs - in Hebron. Do you know who else is buried there? (Answer: Adam & Eve, Isaac & Rebecca, Jacob & Leah ....in addition to Abraham and Sarah). Abraham sends his faithful servant Eliezer back to the old country (Aram Naharaim) to find a suitable wife for Isaac. Eliezer devises a plan by which he will find a modest, generous and kind girl fitting for his master's son. Eliezer decides to stand by the town's well, waiting for a girl to offer water to him and his camels. Suddenly Rebecca appears and exerts great effort to draw water for a stranger and his ten camels. She brings Eliezer to her father's house, whereupon Abraham's servant asks that Rebecca return with him to marry Isaac. She accepts, and they are married. The Torah states that "Isaac married Rebecca ....and he loved her." This teaches us that true love comes after marriage, not before.

### Ask our Rabbis

Q; Why do men only wear a Tallis for Shachris, but not for Mincha and Ma'ariv?

A: The Mitzvah of wearing a Tallis is limited to the daytime hours, based on the verse "*Urisem Oso* -when you see them" (Bamidbar 15:39) which according to Chazal indicates that wearing a Tallis and Tzitzis is required to be worn by males during the day. In fact, the time for wearing a Tallis for davening is dependent upon when there is enough daylight to be able to see the Tzitzis clearly, which is known as *MiSheYakir*, from when the Tzitzis can be recognized (Shulchan Aruch O.C. 18:3).

In contrast, the ideal time for Mincha is after the time referred to as Mincha Ketanah, 9.5 hours into the Halchic day (Shulchan Aruch O.C.233:1) although it can be concluded after Shkiah, Sunset, in extenuating circumstances (Aruch Hashulchan 110:5).

The ideal time for Maariv is after *Tzeis Hakochovim*, the time when the stars come out, also known as Nightfall (Mishnah Berurah 235:12). As a result, there was no enactment to wear a Tallis during these Tefillos, prayers, as they do not correspond to the time of the Mitzvah of Tallis. (The reason for the exception to this rule on Yom Kippur Eve will be discussed in a future Ask the Rabbi article.)

## Israel

### 14 Days Living in Eshkol, Israel

Reserve the evening of Monday, November 15 for a program entitled "14 Days Living in Eshkol, Israel" to take place at NHBZ. The program will be presented by Lieutenant Colonel Keith Isaacson and a security official from the Eshkol Region of Israel. We thank Irl Solomon, of Friends of Israel, and Pastor Bryan Sharp for enabling us to host this event.

## **On-going Covid Guidelines *Shul Policy***

NHBZ requires that all people attending tefila (prayer services), classes or other NHBZ programs and activities show proof of vaccination. You may show your vaccination card to Rabbi Smason whenever convenient for you both, or on Shabbos as you enter the shul. Once you have shown Rabbi Smason your vaccination card, there is no need to do so again.

**If we have no proof of vaccination**, you are welcome to join Shabbos services from the Kaiser Terrace on the West side of the synagogue. You are also welcome to enter the synagogue to ask a question of the rabbis and staff, conduct business in the office, pick up or leave an item, or for any other reason that might last for a brief period of time.

Masks required of all inside attendees, age 3 and older; masks are strongly encouraged for those outside, too. Children aged 12 and older have the same vaccination requirements as adults.

Here's to good health, peace, and prosperity. With our efforts and cooperation, may we help end this pandemic.

### 100% Not Genuine

**Chayei Sarah** (Genesis 23:1-25:18)

*I have given you the field, and as for the cave that is in it, I have given it to you; in the view of the children of my people have I given it to you. (Gen. 23:11,15)*

Avraham set out to buy the Cave of Machpela and the field surrounding it from Efron Hachiti. Efron said to Avraham "Don't bother paying for it. I'll give you both the field and the cave as a gift!" Shortly after, Efron changed his mind and set the price at 400 silver shekels. What happened?! Why did he suddenly change from being overly generous to being a greedy man?

Many years ago the Rambam had a debate with philosophers. The philosophers claimed that a cat's nature could be altered to be like that of a human being. The Rambam said, "An animal will always remain an animal." The philosophers went about proving their theory. They took a cat and spent weeks training it, and were finally ready to present their case. Everyone gathered to see what would happen. In walked a cat dressed as a waiter, carrying a tray with wine and glasses. Everyone was amazed. The Rambam, on the other side of the room, took a bag out of his pocket, opened it, and a mouse came out. The cat saw it, dropped the tray and dashed across the room to catch the mouse! Everyone then agreed with the Rambam; you can definitely *train* a cat, but you can't *change* a cat's nature.

Efron was the same. When Avraham asked him for the cave, they were in front of all the B'nei Cheis. Therefore Efron said that it was free, thinking, "Why not let everyone think that I am a nice guy?" When Avraham wanted to pay for it and was holding a wad of bills, Efron saw the money and forgot about everything he had said. He just wanted the cash, so he charged Avraham an enormous amount.

Some people appear very pleasant and friendly, but if someone steps on their toe or spills something on them they go berserk. These people never truly changed their nature. When things are calm and going their way they are able to *act* nicely, but inside they are capable of exploding at the slightest infraction. By contrast, a person who truly changes his nature - through self-introspection, examination and work - will be in total control of his attitude in every *single* situation. He won't be affected by external circumstances. – by **Rabbi Eli Scheller** ([www.aish.com](http://www.aish.com))

ahead of its time."**

On the 27th of Cheshvan of the year 1657 from creation (2104 BCE) "the earth dried" (Genesis 8:14) completing the 365-day duration of the great flood that wiped out all life on earth save for the eight human beings and the animals (2 of each species) in Noah's ark; on this day G-d commanded Noah to "Come out of the ark" and repopulate, settle and civilize the earth.
